District 16 - DCM Report 11-20 19

Session 68 coming to a close. It has been a gratifying experience to serve as DCM of district 16. Our district has come alive and serves our community and our members. Elections for panel 70 will take place on 11-20-19 @700 pm. The PIC initiative that Pat G. has put together has the potential to engage many new groups in service. Central office is willing to help us with the literature purchase. Thanks to
the North Collins group for their support of the treatment facilities in our district. We are working on a plan for building on what we have already started, going out to the groups, boots to the ground and get D 16 fully operational..with a full boat of committees.

Yours in service ,
Brian B DCM 16
