Delegate's Pre-Conference Report

Join us for our next Area 50 General Service Assembly. This Assembly will be focused on all topics discussed at the 2018 General Service Conference. Our delegate, Chuck B., will be representing our area and needs to hear YOUR VOICE.

Chuck will serve on the Committee for Cooperating with the Professional Community (CPC). This year's CPC agenda items include: 'Should AA use LinkedIn to contact professionals', 'Should we revise AA pamphlets to help improve CPC's function', 'Should AA make a pamphlet for atheists' and more!

Come to the Assembly and tell us what your group thinks!
