Maintain Efforts: Let's continue to seek Group Participation in General Service activities. Be part of the effort to improve communication and ties between groups within the districts and for the good of entire fellowship. Ensure home groups know how service beyond the home group operates in our area – provide details so many can see why service outside of the AA home group is vitally important to both AA and the individual. **Recovery, Unity and Service – enjoy all the benefits AA has to offer!!!**

Progress: At GSA both attendance and participation is growing!

Success with Use of Open Mic! Website communication upswing started!

Maintain Pursuit of Recommendations on ways to Revitalize Area!

Groups seeing their ultimate responsibility for the functioning of our structure!

Ongoing: Attend this Assembly and learn about all of the actions taken at the General Service Conference. Committee chairs will tell us what happened and how it affects AA in WNY. Hear our Delegate, Wally E recount his experience at the Conference and how Area 50 was affected!!
