Together We Can - A Vision For Area 50

Join us for our first assembly of Area 50's (WNY) General Service Assembly - Panel 68 (2018-2019). This Assembly will be focused on the basics: what AA General Service is and how it can add to your Sobriety! We are fortunate to have a presentation from a special guest speaker, Billy N. Billy will also be speaking at the Depth and Weight Speaker Group, on Friday, Jan. 5th, at 8PM (45 Dalton Dr., Buffalo).

Does your group have a GSR? Send a representative and join us as we work together to carry the message to the still suffering alcoholic!
