# *Virtual Coffee Hour*

# NERAASA 2024 Recap!

**The "Sweetest" NERAASA yet!**

# Agenda? Questionnaire? Survey?!

## What the heck is the difference?!

The “**Final Agenda**” is the list of topics to be discussed and reviewed by the 13 General Service Conference Committees at the 2024 General Service Conference in April.

There are a total of **83 items** on the 2024 Final Agenda. From that list, our Delegate selects a handful for the Area to discuss during “Pre-Con”

The “**Delegate’s Questionnaire**” is the handful of items selected from the Final Agenda to be reviewed and discussed by the Area to help the Delegate know the Area’s Group Conscience regarding these items.

From the list of 83, our Delegate has selected **12 topics** to discuss, and provided their background material via a link on the surveymonkey that will be distributed after this Coffee Hour. This is what you will take back to home groups to fill out.

The “**Literacy Survey**” that was circulated a couple months back was sent out from the General Service Literacy Committee, as a means to get the temperature of the Fellowship regarding the sentiment around changing our Founders’ writings.

This is not an agenda item, but instead a way to determine whether or not there should be policy in place to change any of the Founders’ writings (aka a future agenda item to put policy in place).
